Aerated Baitwell

Diamond Non Skid Decks

5 Storage Compartments

Piranha Flats 1700

It's a 17 foot flats boat that rides like a bay boat. The v hull carries through to the transom. It is extremely stable with a huge forward casting deck. Walk the gunnels or stand on the edge and this fishing platform barely moves. Four of the storage compartments are configurable prior to purchase (plumbed, insulated, or dry). Great boat for stalking your inshore target species or heading out with the family to hit the sand bar. Take a bite out of a Piranha today.
